

CRABTREE,

REV. H. HIGHFIELD.

PICKERING,

YORKS.

Aug 27<sup>th</sup> '51

Dear Mr. Corloff

I am doing a bit of clearing up & reduction of papers and so forth and am sending you a few

that may be worth while

keeping a little longer

in Wesley College though

you are quite at liberty to destroy if you do not

regard them as of any value.

I am fairly well but I feel symptoms of age creeping on me.

We have had a cold summer following on a long winter

I hope you two Corloff are well & the College in good spirits

Ever sincerely

H. Highfield
