L.F. de Mel  
HEAD MASTER

This is to certify that I have known intimately A. Mohan Seneviratne throughout his career at Wesley during the years 1953 to 1959. He proved a great asset to Wilkin House by participating enthusiastically in almost all activities and set an example for loyalty, evincing a sense of responsibility in the discharge of his duties. An easy mixer, genial and courteous, he earned the affection of his fellows and the respect of his masters both in and out of school.

He was versatile and represented the School in Cricket and Hockey, and his House in Athletics, Soccer and Dramatics as well.

He took up the G.C.E. Examination (Ordinary Level) and was keen on pursuing a course of higher studies.

His conduct and character have always been good.
